Re: Posting #1210

Dear Ms. Waters:

I would like to take this opportunity to thank you for the interview and tour of the salon on Monday May 15. Your newly expanded salon provides a stunning environment for your customers in staff.

As I mentioned during the interview, I would welcome the opportunity to provide sales assistance for your products. I am passionate about fashion and cosmetic products personally, and it would be a pleasure to talk about and sell what I so enjoy. I think that I could assist you with the marketing of your products to high school students.

Thank you again for your time. I look forward to hearing from you regarding your decision.

Sincerely,

Olivia Martine
